

THE CONFLICT CORNER

STEP 1

HANDS OUT

Stand facing the person you are in a conflict with. Both of you should hold your hands out in front of your body with your palms facing up.

STEP 2

EXPLAIN

Take turns explaining the problem you are having with each other. Be sure not to interrupt the other person while they are talking.

STEP 3

LISTEN

Actively listen to what your friend has to say. To help with this, try repeating some of the things they said once they are done talking.

STEP 4

BRAINSTORM

Together, come up with a few solutions on how you can resolve this problem as friends. Try to find one you can both agree on.

STEP 5

SHAKE

Once you have found a good solution to your problem, make sure to shake hands with your friend while making eye contact.

STEP 6

COMPLIMENT

Complete this problem solving process, by giving each other a nice compliment. Once that's done, return to our class activities!
